I have set you to be a light to the Gentiles, that you may bring salvation to the uttermost parts of the earth

## Worship Take Away

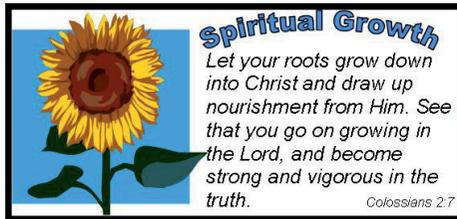

## Romans 12 ~ The Message Bible

Take your everyday, ordinary life –  
 Your sleeping eating, going-to-work and  
 walking around life – and place it before God  
 as an offering. Embracing what God does for you  
 is the best thing you can do for Him. Don't become  
 so well adjusted to your culture that you fit into it with  
 out even thinking. Instead, fix your attention on God. You'll  
 be changed from the inside out. Readily recognise what He  
 wants from you, and quickly respond to it. Unlike the culture  
 around you, always dragging you down to its level of imma-  
 turity, God brings out the best in you, He helps you become  
 a well-formed and mature Christian to be a light to a world in  
 darkness.

## Spiritual Growth Take Away

Front

Back

**Spiritual Growth** is very like physical growth. A plant needs food, water and sunshine to grow. To grow Spiritually we need to be connected to the source of our Spiritual life which is God. We do this through prayer, Bible study and worshiping in community with other believers. Without these ingredients we will remain spiritually immature and never fully reach the potential that God has planned for our lives. Place this plant in your kitchen or somewhere that you will see it everyday and can watch it grow. Use this plant as a reminder to remain connected to God and spend time with Him. That way, as it grows so you will be too!
