Creation LYRICS

I can tell you how it all began
I can tell you how the world was started
I can tell you who made this land
I can tell you now

In the beginning God created
Everything you see yes God made it
The birds and the animals
The flowers and the trees
The sun and the moon
The rivers and the seas
In the beginning God created
Everything you see yes God made it
But His very best creation of all
Is you you and me
